

## Oil Painting Supply list

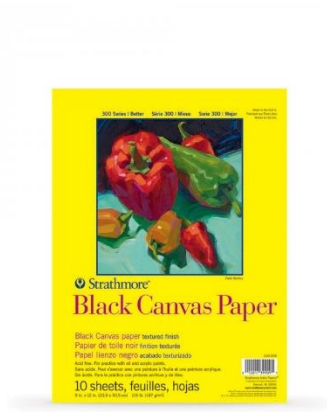

1 Canvas pad, paper or 6 boards, 8 x 10 or 9 x 12 inches

Some examples:

1 pad of palette paper 9 x 12 inches

Some examples:

Mediums:

You'll need three: an alcohol solvent (turpentine), a glazing medium, and varnish

I love this trifecta, which is the lowest toxicity and won't stick up your house:

Gamsol, galkyd lite and gamvar. You will need more gamsol than anything else. There are other options (turpentine, linseed oil and damvar) but these are the best.

1-3 1 inch craft brushes

A packet of brushes, some examples might include:

1 palette knife:
